

Web Conferencing

INSTANT MEETING POWER WITHOUT LEAVING THE OFFICE.

Reduce travel time and expenses while **increasing client receptivity.**

iBoomerang® *New!* **Web Conference** Tools That Return a Profit

Maximize your savings by sharing your computer screen with as many as 100 clients with the click of a mouse!

iBoomerang Web Conference allows you make presentations more effectively and efficiently than traveling to a client and sitting side-by-side sharing a monitor. Designed for easy client access, you maintain control of the meeting while using our telephone bridge to phone-conference as you demo software, review documents and spreadsheets, or show off your latest offerings.

SIMPLE, FAST AND EASY, IT WORKS ON ANY COMPUTER AND ANY INTERNET CONNECTION OR MODEM FOR ONE LOW MONTHLY FEE.

5x **Faster than the competition!**
