

Adding an Account in the Web Conferencing Tool iBoomerang, Inc.

1. Log out of your current session by clicking on File > Logout

2. Click on the Preferences icon.

3. Click on the Account Setup up tab and check the Manage Multiple Login Profiles box.

The image shows a screenshot of a software preferences window titled "Preferences". The window has a pink header bar with a close button (X) in the top right corner. Below the header, there are four tabs: "General", "Account Setup", "Audio Setup", and "Network Setup". The "Account Setup" tab is selected and highlighted in yellow. Below the tabs, there is a checkbox labeled "Manage Multiple Login Profiles (Requires Uninstall to Disable)", which is also highlighted in yellow and currently unchecked. Underneath this checkbox is a section titled "Login Details" with a minus sign icon. This section contains several input fields: "User Name", "Password", "Account Type (read only)", and "Authentication Server". The "Authentication Server" field is currently filled with a blue bar. Below these fields are three buttons: "Advanced Settings", "Login", and "Clear Account". Below the "Login Details" section is another section with a plus sign icon, containing several more input fields: "First Name", "Last Name", "My Display Name" (which contains the text "Guest"), "Company", "Title", "Phone", and "Name of This Location or PC". At the bottom of the window, there are three buttons: "OK", "Cancel", and "Apply".

4. Change the Profile Name to say your name. Enter in your Login Details. Click Login to validate your information.

The image shows a 'Preferences' dialog box with the 'Account Setup' tab selected. The 'Profile Name' is 'Brittany Fullenkamp'. The 'Login Details' section contains the following information:

Field	Value

User Name	bfullenkamp@iboomerang.com
Password	*****
Account Type (read only)	
Authentication Server	

Buttons: Duplicate, New, Remove, Login, Clear Account, Advanced Settings, OK, Cancel, Apply.

5. To add another account, click on New. Then, follow Step 4 again.

The image shows a 'Preferences' dialog box with the 'Account Setup' tab selected. The 'Profile Name' is 'USABG Training'. The 'Login Details' section includes 'User Name' (training@usabg.net) and 'Password' (masked with asterisks). There are 'Duplicate', 'New', and 'Remove' buttons. At the bottom of the dialog are 'OK', 'Cancel', and 'Apply' buttons.

6. When you've added all accounts, click on OK to go back to the main interface.

7. To change accounts, go to File > Select Account Profile.
